I was just about to reach out to you to confirm the time. I have the room reserved all morning.

What time do you want the meeting to start? Will that be the permanent on-going time?

Jonathan and Lorena

I am confirming that Sensis agency will attend this meeting and give a short presentation about their ad/marketing efforts for LA Waterfront. With presentation and some discussion, I expect this item to take 30mins.

Does this sound like a good plan?
